

Solutions for Strategic Advantage

Professional Services

## IT Professional Services

For over 15 years ComteqUSA has been a leading force in the IT Procurement and Professional Services. There are not many firms around who can match our record of longevity and success or our impressive client list.

Established in 1987, we have provided hardware, software, consulting and contract services to hundreds of national and local companies, large and small.

We are successful at understanding your IT business needs, and creating a solution that wraps around your business model.

ComteqUSA consultants are experienced IT professionals. They are skilled in the latest IT advances and arrive at your workplace ready and able to make an instant contribution.

Our specialties include:

- LAN/WAN Planning & Design
- LAN/WAN Deployment
- LAN/WAN Documentation
- Security Analysis & Deployment
- Network Assessments & Analysis
- Capacity Planning
- Standards Deployment
- Disaster Recovery Planning
- High-Availability Planning & Deployment
- Wireless Design & Deployment
- Voice over IP Design & Deployment
