

Solutions for Strategic Advantage

Professional Services

Managed Services

ComteqUSA offers a comprehensive suite of Managed Services, enabling organizations to transfer the risk of protecting their networking environment to a trusted security partner. Our Managed Services offer event monitoring and device management and we offer guaranteed performance-based Service Level Agreements (SLAs). Managed Services enable organizations to eliminate risk, control escalating security costs, and demonstrate due diligence.

Backed by the proactive research and security intelligence efforts of several Systems Suites. ComteqUSA provides proven protection and expert management to secure critical information, 24 hours a day, every day of the year.

Our specialties include: .

- Managed Firewall & VPN Services
- Managed Security Services
- Managed Intrusion Protection
- Managed Remote Scanning
- Threat Analysis & Management Services
- Incident Management
- Alert Services
- Long Term Contracts
- Short term Contracts
